Sir:

**REQUEST FOR CORRECTED PATENT APPLICATION  
PUBLICATION UNDER 37 C.F.R. § 1.221(b)**

The U.S. Patent and Trademark Office published the above-identified application as Publication No. US-2004-0234482-A1 on November 25, 2004. However, on page 10, paragraph [0131] is missing from the application. For the Office's convenience, attached hereto are (1) a copy of page 33 of the originally filed application showing the paragraph in question.

This mistake is material since it affects the public's ability to appreciate the technical disclosure of the patent application publication or determine the scope of the provisional rights that an applicant may seek to enforce upon issuance of a patent. See C.F.R. §1.221(b).

For at least the foregoing reasons, Applicant's request that the Office correct the above-identified material mistake in the published application, which was the fault of the Office. Further, Applicant's request that the Office forward a copy of the corrected published application or at least a notification of the occurrence or predicted occurrence of the corrected publication once it has been corrected.

Applicant's believe that no Petition or fee is due in connection with this Request. However, if any Petition or fee is due, please grant the Petition and charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,  
GARRETT & DUNNER, L.L.P.
